**Subject:** End of Gladstone Lease

Hello Ms. Grantham,

I am set to publish an article about the end of the lease for Gladstone property on Dec. 15. Mr. Hennis last night said the EPA has been unwilling to negotiate a new lease, and will be operating illegally after Dec. 15.

Right now, all I have is Mr. Hennis's side of the story, which as you can imagine, does not look favorably on the EPA's stance. I would really like to have an explanation (not terse statement) from the EPA. The article will publish this afternoon so I'd appreciate any feedback, and can be reached at 970-375-4515

Thanks,  
Jonathan Romeo
